Obedience & Gundog Commands

Command	Expectation Of Dog
Sit	Dog should sit immediately with one command
No	Dog should immediately stop whatever it is doing
Here	Dog should immediately run in a straight line toward handler
Kennel	Dog should load into any pet carrier/kennel or vehicle
Stay	Dog should stay on the spot until given a command to move
Place	Dog should get onto place board or place mat when given the command
Down	Dog should go into a down position
OK	Command used to release a dog from a previous command
Heel	Dog should walk or stand by your feet
Praise	Never reward a dog unless they execute a command 100% correctly. A reward can be as simple as petting and praising the dog. When you reward a dog but they did not correctly execute a command, you have taught the dog that he does not have to obey
